

mvw ADEK GUMMIES®

THE ESSENTIALS
plus Zn

mango

-  **MVW ADEK GUMMIES** are specifically formulated to meet the dietary needs of individuals who have difficulty absorbing fat and fat soluble vitamins, as seen in cystic fibrosis.
-  **MVW ADEK GUMMIES** provide the essential fat-soluble vitamins A, D, E, and K in a water miscible formulation plus zinc. This product also contains the antioxidants beta-carotene, alpha-tocopherol, and zinc. The source of the vitamin D3 is "non-animal." The product is vegan.
-  **MVW ADEK GUMMIES** are formulated to meet or exceed the daily fat soluble vitamin recommendations outlined in the Cystic Fibrosis Foundation Nutrition Consensus Statement published in 2002; the recommendations for vitamin D as described in the 2011 Endocrine Society Clinical Practice Guidelines; Vitamin K as recommended by the 2002 European CF Society Nutrition Consensus Report; and the latest scientific evidence.[†]
-  **MVW ADEK GUMMIES** are covered by The HealthWell Foundation vitamin & supplements grant.
